This form should be enclosed with the student's application for student grants and loans to CSN.

The Swedish Board of Student Finance (CSN) is the official agency in Sweden that processes applications for grants and loans for studies in Sweden and abroad. To

qualify for student grants and loans, the student and the education must fulfil certain requirements.

All parts of the form must be filled in and be signed and stamped by an official representative of the school. The form

corresponds to an official admission notice. It is therefore important that it is filled in only for a student satisfying your requirement of admission.

Regarding payment, always consider monthly payment or in other instalments.
